

Clondra NS Parent's Association Activities 2015-16

Our [Annual Pumpkin Competition](#) is organised by the Parent's Association every year. Standards are high, competition is fierce a huge effort is shown by children (and parents) to produce a great pumpkin. The PA decorate the hall, judge the competition and provide prizes for the winners and goodie bags for all.

Christmas is a busy time of year for the Parent's Association. The PA help get prizes for our [Annual Christmas Draw](#), asking local businesses to donate goods/vouchers etc. They also help make up the hampers.

CHRISTMAS

The PA seem to have a direct line to [Santy](#) as he has come to visit us for the past few years. The PA help him out by sprinkling some magic on a dreary room at the back of the school which becomes a fabulous grotto. They help Santy with goodies for the children and, because of their efforts, a few of them have been made honorary elves.

The PA have also helped to fund:

Lovely new noticeboards for our upstairs classroom

Painting of the school

Our Easter Egg hunt

Swimming for 1st-6th Classes

Tour to the GPO and Glasnevin

Sports Day ice-cream van

Visiting Theatre Company
